### Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore an important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists.

If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If afflicted with any actual disease, one may be commended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.

#### A Terrible Cloudburst In New Mexico.

#### FAMILIES MADE HOMELESS.

#### The Political Situation Viewed With Alarm—Goldbug Democrats

#### THE DEADLOCK BROKEN.

#### General Happenings Throughout the Country.

DENVER.—A special to the Times from Mogollon, N. M., received today says:

A terrible cloud burst occurred about 4 p. m. yesterday. John Knight, a miner of Georgetown, was drowned, and twenty others are reported missing but so far only two bodies, those of Knight and an unknown Mexican, have been recovered. About 100 families have been rendered homeless and thirty houses washed away.

SACRAMENTO.—Yesterday afternoon James Lee murdered Mollie Allen, his mistress, shooting her through the heart. The woman intimidated she intended leaving Lee for another man.

DENVER.—The Prohibition state convention today adopted resolutions in favor of free coinage of silver at a ratio of 16 to 1. Many of the delegates declared their intention to vote for Bryan and Sewall. W. A. Marsh was nominated for governor.

WASHINGTON.—The president of Argentina has issued a decree remitting all duties on articles sent from the United States for the purpose of showing the manufacturing and commercial industries of this country.

TOPEKA, Kan.—Eugene Hagan and C. J. Langtry, who have charge of the state headquarters of the gold stand and Democrats, expect fully 300 delegates to attend the state convention August 26. Nearly all of them declare that they intend to vote for McKinley and don't want to tie up with a third party candidate.

KANSAS CITY, Mo.—Ex-Senator John J. Ingalls arrived here today. Mr. Ingalls is of the opinion that in Kansas the Republican state and national tickets will be supported by many dissatisfied Democrats who will more than compensate for the loss of Republican votes.

WASHINGTON.—At both the Democratic and Populist headquarters serious alarm is felt over the situation in Idaho where the news dispatches indicate that the Democrats and Populists are trying to effect fusion which will leave out silver Republicans. Managers at both headquarters consider that this attempted combination at the expense of silver Republicans is a violation of the spirit of a free silver

campaign which seeks to combine all silver forces, and they fear its effect on silver Republicans of other western states. They believe different forces should combine on equitable and just terms and effect a division such as was made in Minnesota and Wisconsin.

ATLANTA, Ga.—The deadlock in the Fourth District Democratic congressional convention at Warm Springs, was broken today by the nomination of W. A. Anderson, free silver advocate.

Don't boil your tea. Steep it. Little bit of book—once minute—tells how. Find it in every package of Schilling's Best (money-back) tea at your grocer's—or let us send you the book (free).
